Attorney for Petitioner

UNITED STATES BANKRUPTCY COURT

NOTICE TO INDIVIDUAL CONSUMER DEBTOR

The purpose of this notice is to acquaint you with the four chapters of the federal Bankruptcy Code under which you may file a bankruptcy petition. The bankruptcy law is complicated and not easily described. Therefore, you should seek the advice of an attorney to learn of your rights and responsibilities under the law should you decide to file a petition with the court. Court employees are prohibited from giving you legal advice.

Chapter 7: Liquidation (\$155 filing fee plus \$30 administrative fee plus \$15 trustee surcharge)

- 1. Chapter 7 is designed for debtors in financial difficulty who do not have the ability to pay their existing debts.
- 2. Under chapter 7 a trustee takes possession of all your property. You may claim certain of your property as exempt under governing law. The trustee then liquidates the property and uses the proceeds to pay your creditors according to priorities of the Bankruptcy Code.
- 3. The purpose of filing a chapter 7 case is to obtain a discharge of your existing debts. If, however, you are found to have committed certain kinds of improper conduct described in the Bankruptcy Code, your discharge may be defied by the court, and the purpose for which you filed the bankruptcy petition will be defeated.
- 4. Even if you receive a discharge, there are some debts that are not discharged under the law. Therefore, you may still be responsible for such debts as certain taxes and student loans, alimony and support payments, criminal restitution, and debts for death or personal injury caused by driving while intoxicated from alcohol or drugs.
- 5. Under certain circumstances you may keep property that you have purchased subject to valid security interest. Your attorney can explain the options that are available to you.

Chapter 13: Repayment of All or Part of the Debts of an Individual with Regular Income (\$155 filing fee plus \$30 administrative fee)

- 1. Chapter 13 is designed for individuals with regular income who are temporarily unable to pay their debts but would like to pay them in installments over a period of time. You are only eligible for chapter 13 if your debts do not exceed certain dollar amounts set forth in the Bankruptcy Code.
- 2. Under chapter 13 you must file a plan with the court to repay your creditors all or party of the money that you owe them, using your future earnings. Usually, the period allowed by the court to repay your debts is three years, but no more than five years. Your plan must be approved by the court before it can take effect.
- 3. Under chapter 13, unlike chapter 7, you may keep all your property, both exempt and non-exempt, as long as you continue to make payments under the plan.
- 4. After completion of payments under your plan, your debts are discharge except alimony and support payments, student loans, certain debts including criminal fines and restitution and debts for death or personal injury caused by driving while intoxicated from alcohol or drugs, and long term secured obligations.

Chapter 11: Reorganization (\$800 filing fee plus \$30 administrative fee)

Chapter 11 is designed for the reorganization of a business but is also available to consume debtors. Its provisions are quite complicated, and any decision by an individual to file a chapter 11 petition should be reviewed with an attorney.

Chapter 12: Family Farmer (\$200 filing fee plus \$30 administrative fee)

Chapter 12 designed to permit family farmers to repay their debts over a period of time from future carnings and is in many ways similar to chapter 13. The eligibility requirements are restrictive, limiting its use to those whose income arises primarily from a family owned farm.

I, the debtor, affirm that I have read this notice.

RIGHTS AND RESPONSIBILITIES AGREEMENT BETWEEN CHAPTER 13 DEBTORS AND THEIR ATTORNEYS (Model Retention Agreement)

Chapter 13 gives debtors important rights, such as the right to keep property that could otherwise be lost through repossession or foreclosure—but Chapter 13 also puts burdens on debtors, such as the burden of making complete and truthful disclosures of their financial situation. It is important for debtors who file a Chapter 13 bankruptcy case to understand their rights and responsibilities in bankruptcy. In this connection, the advice of an attorney is often crucial. Debtors are entitled to expect certain services to be performed by their attorneys, but again, debtors have responsibilities to their attorneys also. In order to assure that debtors and their attorneys understand their rights and responsibilities in the Chapter 13 process, the judges of the Bankruptcy Court for the Northern District of Illinois have approved the following agreement, setting out the rights and responsibilities of both debtors in Chapter 13 and their attorneys. By signing this agreement, debtors and their attorneys accept these responsibilities.

BEFORE THE CASE IS FILED

THE DEBTOR AGREES TO:

- 1. Discuss with the attorney the debtor's objectives in filing the case.
- 2. Provide the attorney with full, accurate and timely information, financial and otherwise, including properly documented proof of income.

THE ATTORNEY AGREES TO:

- 1. Personally counsel the debtor regarding the advisability of filing either a Chapter 13 or a Chapter 7 case, discuss both procedures (as well as non-bankruptcy options) with the debtor, and answer the debtor's questions.
- 2. Personally explain to the debtor that the attorney is being engaged to represent the debtor on all matters arising in the case, as required by Local Bankruptcy rule and explain how and when the attorney's fees and the trustee's fees are determined and paid.

- 3. Personally review with the debtor and sign the completed petition, plan, statements, and schedules, as well as all amendments thereto, whether filed with the petition or later. (The schedules may be initially prepared with the help of clerical or paralegal staff of the attorney's office, but personal attention of the attorney is required for the review and signing.)
- 4. Timely prepare and file the debtor's petition, plan, statements, and schedules.
- 5. Explain to the debtor how, when, and where to make all necessary payments, including both payments that must be made directly to creditors and payments that must be made to the Chapter 13 trustee, with particular attention to housing and vehicle payments.
- 6. Advise the debtor of the need to maintain appropriate insurance.

AFTER THE CASE IS FILED

THE DEBTOR AGREES TO:

- 1. Make the required payments to the trustee and to whatever creditors are being paid directly, or, if required payments cannot be made, to notify the attorney immediately.
- 2. Appear punctually at the meeting of creditors (also called the "341 meeting") with recent proof of income and a picture identification card. (If the identification card does not include the debtor's social security number, the debtor will also bring to the meeting a social security card.) The debtor must be present in time for check-in and when the case is called for the actual examination.
- 3. Notify the attorncy of any change in the debtor's address or telephone number.
- 4. Inform the attorney of any wage garnishments or liens or levies on assets that occur or continue after the filing of the case.
- 5. Contact the attorney immediately if the debtor loses employment, has a significant change in income, or experiences any other significant change in financial situation (such as serious illness, lottery winnings, or an inheritance).
- 6. Notify the attorney if the debtor is sued or wishes to file a lawsuit (including divorce).
- 7. Inform the attorney if any tax refunds to which the debtor is entitled are seized or not received when due from the IRS or Illinois Department of Revenue.
- 8. Contact the attorney before buying, refinancing, or selling real property, and before entering into any loan agreement.

THE ATTORNEY AGREES TO:

1. Advise the debtor of the requirement to attend the meeting of creditors, and notify the debtor of the date, time, and place of the meeting.

- 2. Inform the debtor that the debtor must be punctual and, in the case of a joint filing, that both spouses must appear at the same meeting.
- 3. Provide knowledgeable legal representation for the debtor at the meeting of creditors (in time for check-in and the actual examination) and, unless excused by the trustee, for the confirmation hearing.
- 4. If the attorney will be employing another attorney to attend the 341 meeting or any court hearing, personally explain to the debtor in advance, the role and identity of the other attorney and provide the other attorney with the file in sufficient time to review it and properly represent the debtor.
- 5. Timely submit to the Chapter 13 trustee properly documented proof of income for the debtor, including business reports for self-employed debtors.
- 6. Timely respond to objections to plan confirmation and, where necessary, prepare, file, and serve an amended plan.
- 7. Timely prepare, file, and serve any necessary amended statements and schedules and any change of address, in accordance with information provided by the debtor.
- 8. Monitor all incoming case information (including, but not limited to, Order Confirming Plan, Notice of Intent to Pay Claims, and 6-month status reports) for accuracy and completeness. Contact the trustee promptly regarding any discrepancies.
- 9. Be available to respond to the debtor's questions throughout the term of the plan.
- 10. Prepare, file, and serve timely modifications to the plan after confirmation, when necessary, including modifications to suspend, lower, or increase plan payments.
- 11. Prepare, file, and serve necessary motions to buy or sell property and to incur debt.
- 12. Object to improper or invalid claims.
- 13. Timely respond to the Chapter 13 trustee's motions to dismiss the case, such as for payment default, or unfeasibility, and to motions to increase the percentage payment to unsecured creditors.
- 14. Timely respond to motions for relief from stay.
- 15. Prepare, file, and serve all appropriate motions to avoid liens.
- 16. Provide any other legal services necessary for the administration of the case before the bankruptcy court.

ALLOWANCE AND PAYMENT OF ATTORNEYS' FEES [Check one option.]

Any such application must be accompanied by an itemization of the services rendered, showing the date, the time expended, and the identity of the attorney performing the services. The debtor must be served with a copy of the application and notified of the right to appear in court to object.
- 1b. Post-confirmation services. Compensation for services required after confirmation will be in such amounts as are allowed by the court, on application accompanied by an itemization of the services rendered, showing the date, time, and the identity of the attorney performing the services. The debtor must be served with a copy of the application and notified that the debtor may appear in court to object.

- Option B: flat fee through case closing
- 1. Any attorney retained to represent a debtor in a Chapter 13 case is responsible for representing the debtor on all matters arising in the case unless otherwise ordered by the court. For all of the services outlined above, the attorney will be paid a fee of \$ 2700 . In extraordinary circumstances, such as extended evidentiary hearings or appeals, the attorney may apply to the court for additional compensation for these services. Any such application must be accompanied by an itemization of the services rendered, showing the date, the time expended, and the identity of the attorney performing the services. The debtor must be served with a copy of the application and notified of the right to appear in court to object.

- 2. Early termination of the case. Fees payable under the provisions set out above are not refundable in the event that the case is dismissed before confirmation (Option A) or completion of plan payments (Option B), unless the dismissal is due to a failure by the attorney to comply with the duties set out in this agreement. If a dismissal is due to such a failure by the attorney, the court may order a refund of fees on motion by the debtor.
- 3. Retainers. The attorney may receive a retainer or other payment before filing the case, but may not receive fees directly from the debtor after the filing of the case. In any application for fees, whether or not requiring an itemization, the attorney shall disclose to the court any fees paid by the debtor prior to the case filing.

- 4. Improper conduct by the attorney. If the debtor disputes the sufficiency or quality of the legal services provided or the amount of the fees charged by the attorney, the debtor may file an objection with the court and request a hearing.
- 5. Improper conduct by the debtor. If the attorney believes that the debtor is not complying with the debtor's responsibilities under this agreement or is otherwise not engaging in proper conduct, the attorney may apply for a court order allowing the attorney to withdraw ormfrom the case.
- 6. Discharge of the attorney. The debtor may discharge the attorney at any time.
